Governor Rick Scott Leads Business Delegation to Paris Air Show *Economic Development Delegation to Meet with 40 Aviation and Aerospace Business Leaders*

PARIS, FRANCE – On Sunday, June 16, Governor Rick Scott will lead an economic development mission to the 50th International Paris Air Show. Below, please see key facts about this week's economic development mission, as well as a schedule of this week's events.

KEY FACTS

- A delegation of nearly 100 Florida-based aviation, aerospace and defense companies, educational institutions and economic developers to the 50th International Paris Air Show from June 16-21.
- Over the duration of the trip, Governor Scott and Secretary of Commerce Gray Swoope will meet with approximately 40 leading aerospace and aviation companies face-to-face.
- The Air Show is one of the largest exhibitions featuring the aerospace, defense and space sectors. The Paris Air Show is the largest and most prestigious Aviation & Aerospace Exhibition in the world.
- Florida is home to one of the nation's largest aerospace and aviation industries – more than 2,000 establishments, and is home to leading manufacturers of all types of aircraft and aviation/aerospace components.
- Florida is ranked 2nd for the number of aviation, aerospace and space establishments.
- Florida is ranked 4th in the number of aviation/aerospace employees in the U.S.
- The business development intensive trip will give Governor Scott the ability to meet face-to-face with leading CEOs in the aviation and aerospace sectors in one location – something that cannot be done anywhere else in the world.
