

Governor DeSantis Business Development Mission to Israel 2019

FAQ

When will mission expenses become available?

- Total mission expenses are compiled approximately 45-60 days following the completion of the mission.

Who does Enterprise Florida pay for?

- Historically, Enterprise Florida pays mission expenses for Governor DeSantis, First Lady Casey DeSantis, the travel aide to Governor DeSantis, and the Florida Cabinet members from private-sector funds.
- Delegates including Enterprise Florida's economic development partners from the communities, companies and legislators pay their own expenses. This includes a participant's fee of \$1,000.

Is there any revenue generated from the mission?

- Revenue is generated through a combination of participant fees, sponsorships and grants.
