

Jamal A. Sowell Florida
Florida Secretary of Commerce
President & CEO,
Enterprise Florida, Inc.

As Florida’s Secretary of Commerce and the President & CEO of Enterprise Florida, Inc. (EFI), Jamal Allen Sowell leads EFI, the principal economic development organization for the state of Florida. He assumed his role at the outset of Governor Ron DeSantis’s administration. With his team, Sowell works closely with economic development partners and private-sector businesses across the state to strengthen and diversify Florida’s economy. Sowell sets the course for an organization that spans the entire state and commands a strong international presence, as EFI strategically negotiates Florida’s partnerships in international commerce.

EFI and its partners around the state provide valuable services, assisting exporting companies and Florida-based firms that are interested in expanding internationally. Sowell and the EFI team leverage Florida’s unique strengths in a robust recruitment effort that includes a broad network of over a dozen international offices and six statewide trade offices. EFI offers many vital services that attract employers to our shores by facilitating their interest in relocating to Florida. EFI’s cohesive approach to trade further lays the groundwork that cultivates an international customer base for Florida’s exporting firms.

Prior to joining EFI, Sowell served as Chief of Staff for Port Tampa Bay – Florida’s largest port by acreage – and a key economic engine in the Tampa Bay region, generating \$17.2B of total economic value. During this time, Sowell was appointed by the Pinellas County Commission to the Pinellas County Economic Development Council and was active with the American Association of Port Authorities as a member of the Maritime Economic Development Committee.

Sowell also served as Special Assistant to then University of Florida (UF) President Dr. Bernie Machen and as Assistant Corporate Secretary for the UF Board of Trustees. Sowell is a sixth-generation Floridian and veteran of Operation Enduring Freedom Afghanistan. Sowell served in the U.S. Marine Corps, enlisting as a Private First Class and combat engineer, and was eventually commissioned, completing his time as a Captain. His roles included stinger
