**Robert L. Schlotman, CPA
Chief Operating Officer**

Robert is the Chief Operating Officer for Enterprise Florida, Inc. (EFI) and is responsible for the protection of company assets and operational and financial management of the organization. Robert looks for methods to improve internal processes and the flow of information at EFI and its subsidiaries. Robert has recruited and put together strong, talented units in the areas of Marketing, Accounting, Capital Programs, IT, Contracts Management, Human Resources and Board Development at EFI.

Robert brings to EFI over twenty-five years of senior management experience including six years as a CFO consultant with clients covering every industry in Central Florida. His experience at Fortune 100 companies as well as small to mid-size organizations enable him to develop strong talent and provide operational leadership. Looking to solve problems and improve processes, Robert encourages communication among departments. Utilizing his CPA skills to consider the financial impacts of business decisions, he counsels other Executive Management on financial and operational matters. He brings his knowledge of not for profit organizations and provides perspective from his experience in for profit companies to best manage the resources of EFI.

Robert is a board member with Primrose Center, Inc. an organization providing services to adults with disabilities and is a former board member of Go for The Greens, promoting women in business.

Robert is a Certified Public Accountant in the state of Florida, earned his bachelor's degree in Finance from The Ohio State University, and his Master's in Business Administration from Rollins College. He lives in Orlando, FL with his fiancé and daughter.
